

# MARVEL II

## ZOYSIAGRASS

*Marvel II*  
Zoysia

**Marvel II** is grown exclusively at NG Turf and is the newest Zoysia on the market. Marvel II is very dense and performs well in both sun and shade. It is a fine bladed zoysia with a bright green color and good drought resistance. Marvel II is a low maintenance turf requiring less fertilization making it an excellent choice for commercial and residential applications.
